

### School of Building Engineering (ETSIE) Escuela de Ingeniería de Edificación

The School provides education in a specific branch of study area 732 (Building and Civil Engineering):

Architectural Technology and construction systems for building structures ; Planning and management of the construction process (budget, quality and safety); Real Estate and business management in construction and real estate companies

## Our International Office

Address: International Relations Office  
School of Building Engineering (ETSIE)  
Building 1C, Camino de Vera s/n  
46022, Valencia, Spain

Email: [int\\_etsie@upvnet.upv.es](mailto:int_etsie@upvnet.upv.es)  
(students / staff mobility, agreements , nominations)

Web: <https://www.etsie.upv.es/en/international/>

IG: [@intercambioETSIE.upv](https://www.instagram.com/intercambioETSIE.upv)

Staff: Vice Dean for International Relations: José Ramón ALBIOL  
International Relations Officer: Yolanda CEBAMANOS

## Study Programmes

- [Bachelor's Degree in Technical Architecture \(4 years\)](#)  
(building engineering, architectural technology & construction management)
- [Master's Degree in Building Engineering \(1 year+thesis\)](#)  
Two branches: Management in the Built Environment and ConstructionTechnology

## Language requirements

All our programs are taught in Spanish with only a few credits in English (in Year 2 of our bachelor degree).

[LINK HERE](#)

All Erasmus applicants (\*) must prove Spanish level B1 at the time of application (B2 if you want to apply for courses from the Master's degree in Building Engineering).

(\*) Exceptions:

- Italian or Portuguese native speakers. If you have no Spanish language certificate, you must sign and upload [this document](#) with your application.
- Students accepted for project work in English who will not apply for any courses taught in Spanish.

Deadline to submit the language certificates:  
15 May / 15 October (deadline to complete the application)

[Full details about the language requirements, documents accepted and deadlines to send them](#)

## Application

Deadline for nomination (by home university):

30 April, 30 September

Deadline for the application:

15 May, 15 October

Documents requested for the application

- Recent Academic Transcript of Records
- Certificate(s) of Language Skills ([instructions & templates](#))
- Motivation letter ( Spanish / English)

[Detailed instructions for application](#)

## Project Work (BSc / MSc thesis)

Students must find an academic supervisor at UPV by themselves and negotiate the details.

A bachelor / master thesis at UPV is 12 ECTS. For exchange students, the number of credits can be increased up to 30 ECTS, if approved by an academic.

Students applying only for Bachelor or Master must attach an email of pre-approval from a UPV lecturer with their application documents.

## Course restrictions

- You may select maximum 12 ECTS (semester) or 24 ECTS (full academic year) from degrees offered by other Schools or Faculties of UPV, as long as you enroll in 30 or 60 ECTS, respectively. If you enroll in fewer credits, this limit will be reduced accordingly.
- Students interested in applying for courses from our master's degree in Building Constructions ([Máster en Edificación](#)) must be master's level students in their home institution (Italian universities: LMCU is OK).
